

European specifications 2011/65/EU incl. 2015/863/EU "RoHS" and 1907/2006 "REACH"

With this document the FRANKE GmbH certifies, that all products in the list below meet the environmental specifications 2011/65/EU - including 2015/863/EU - "RoHS". and 1907/2006 "REACH".

We also certify that the products do not contain any hazardous substances according specification EG 1907/2006 "REACH".

- Bearing elements of series LER1,5
- Bearing elements of series LER2
- Bearing elements of series LER3
- Bearing elements of series LER4
- Bearing elements of series LER5
- Bearing elements of series LEL1,5
- Bearing elements of series LEL2,5
- Bearing elements of series LEL4
- Bearing elements of series LEL5
- Bearing elements of series LEL7
- Bearing elements of series LEW7
- Slim bearings of series LSA4
- Slim bearings of series LSA6
- Slim bearings of series LSA8
- Bearing assemblies of series LVA
- Bearing assemblies of series LVB
- Bearing assemblies of series LVC
- Bearing assemblies of series LVD
- Bearing assemblies of series LVE
- Bearing assemblies of series LVF
- Bearing assemblies of series LVG
- Worm drives of series LTA and LTB
- Direct drives of series LTD
- Accessoires for bearings

This confirmation does not exclude that traces of those elements can be detected with highly sensitive analytic methods. These are from ubiquitous contamination of the environment and the concentrations are far below the limits of hazard or law.

Aalen, 2024-01-10

A handwritten signature in blue ink, appearing to read "Franz Öhlert", with a long horizontal line extending to the right.
